Date

Dear Parent / Guardian:

Your son or daughter will be participating in an exciting introductory sailing course in May and/or June. This unique program is designed to expose students to the sport of sailing and introduce boating safety, and give children confidence in boating on the water. The class will be conducted in an educational format where students will learn how to rig a small sailboat, launch, control sails, and steer, while working as a team with others in each of their boats.

The class will be hosted by the **Whistler Sailing Association** in partnership with the British Columbia Sailing Association. Activities will be conducted on the water at our facilities located at 5678 Alta Lake Road (the former Youth Hostel). Transportation will be provided . **(Add transportation details here)**. Students will be taught by the Whistler Sailing Association instructing staff who are Canadian Yachting Association certified, trained in life saving and water safety programs, and experienced with conducting lessons in an educational, fun, yet safe manor. A supervising teacher from the school will also be present both on and off the water.

Fees:

The fee for the course is \$30 per Day. Fees must be submitted with the registration form to the school teacher no later than the start date of the course. If the form is incomplete or payment is missing, the student will not be allowed to participate.

What students should bring:

Students need to bring appropriate clothing for the weather. They **WILL** get wet at least up to the waist. Note that temperatures on the water are often much cooler than on land, therefore, bring appropriate layers. A windbreaker jacket is strongly recommended no matter what the weather conditions look like. Also bring a full change of clothes and close-toed shoes that can also get wet and won't fall off if they end up swimming (ie – old sneakers, “aquasocks”, etc.) Hat and sunscreen are recommended for sunny days. the Whistler Sailing Association will provide lifejackets, however, they are encouraged to bring their own if they have one. Please also bring an adequate lunch, snack and water.

If you have further questions, please contact your teacher or Francois Hebert , Head Coach 604-902-4836 email info@whistlersailing.com .

Sincerely,

Patrick McCurdy, President
Whistler Sailing Association
